

## INTRODUCING OUR ERASMUS+ KA2 PROJECT: SOFT

We are thrilled to announce the launch of our exciting new project, SOFT, which focuses on eco-responsibility in the implementation of European mobility. This project is co-funded by Erasmus+. As a valued stakeholder, we wanted to share with you the details of this initiative and how it aims to make a positive impact on our community and environment. The partners fronting this project are Eurotracks (France), Irish Education Partners (Ireland), AMT (Spain), Easy Job Bridge (Malta), ZNI (Slovenia).

Enriching lives, opening minds.

**Co-funded by  
the European Union**

## WHAT IS THE SOFT PROJECT?

Our project focuses on raising awareness and promoting eco-responsibility among individuals, organisations, and communities during the process of European mobility. Through various activities and collaborations, we aim to empower participants to adopt sustainable practices which will help contribute to a greener future.

## HOW DO WE INTEND ON IMPLEMENTING SOFT?

**Educate:** Provide educational resources to increase knowledge about environmental issues and solutions we can implement during mobilities.

**Engage:** Encourage active participation and engagement in eco-friendly practices.

**Empower:** Equip individuals and organizations with the tools and skills needed to make sustainable choices and advocate for environmental stewardship.

**Evaluate:** Assess the impact of our activities and measure progress towards our eco-responsibility goals.

**ALL PARTNERS MET IN SEVILLE IN MAY, TO DISCUSS THE PROGRESS OF THE SOFT PROJECT**

## HOW TO KEEP UP TO DATE WITH THE SOFT PROJECT?

**To stay updated on our progress and upcoming activities, be sure to follow us on social media and keep an eye out for our next newsletter! Together, we can create a more sustainable and eco-responsible future for generations to come. Thank you for your support and commitment to environmental conservation.**
